## USTMAA 18th ANNUAL GRAND REUNION AND MEDICAL CONVENTION

### Welcome

all UST Medical  
Alumni ...  
to Chicago, the  
Midwest's  
entertainment  
capital, a perfect  
place to relax and  
recharge!

Chicago — one of the world's most magnificent skylines with its splendid stretch of coastline along Lake Michigan — provides the backdrop for the upcoming University of Santo Tomas Medical Alumni Association in America's 18th Annual Grand Reunion & Convention. Chicago's central location makes it an ideal place to converge for this annual gathering set to take place May 27 - 31, 2010. As a center for the nation's railroads, interstate highways, and commercial airline travel, Chicago is as easy to get to as it is to get around.

Great food isn't the only thing this city has to offer. From its world-class theaters and museums to its ever-growing music and arts scene, Chicago has staked its claim as the Midwest's entertainment capital. There will be plenty of things to do for every one of all ages and interests.

### Invitation

Dear Fellow Thomasians:

Nothing is more heartwarming than the experience of renewing old acquaintances and reliving a few moments of the past. The presence of our Rev. Fr. Rector, beloved Dean, and Regent and some other faculty members from UST is a testimony of their continued care and interest in their graduates. It is a moving experience to have them share the old memories with us. Such is the allure of grand reunions.

The 18th Grand Reunion and Clinical Convention of the USTMAA will be held during the Memorial weekend of 2010. It promises to be the most memorable and probably the grandest, honoring two sets of jubilarians for 2010 and 2011. By popular request, the venue will be at the Marriott Hotel in the heart of downtown Chicago within walking distance to the various points of interests including the Magnificent Mile, Millennium Park, theaters, restaurants, and museums.

*If you enjoyed Chicago in 1995, you will have a more memorable and enjoyable reunion in 2010 because of the phenomenal organization and planning done by the organizing committee and the host, USTMAA Midwest Chapter.*

So, come one and all on May 27- 31, 2010 and savor a taste of Chicago, our kind of town.

Sincerely,

Dionisio B. Yorro, Jr., MD, FACC
